

HAZARD COMMUNICATION**OPS.504**

Approved By:	Chief Operations Officer	Adopted Date:	N/A
Distribution:	All ODCHC Staff	Revision Date(s):	03/00, 11/02, 03/13

PURPOSE:

The purpose of this policy is to ensure that ODCHC employees are fully informed about potential workplace hazards and the steps that can be taken to prevent harm in the workplace.

POLICY:

1. It is the policy of ODCHC to comply with OSHA Hazard Communication Standards by adopting the currently published Hazard Communication policy approved by OSHA. A complete copy of the current Hazard Communications Policy is included here as an attachment.
2. The Nurse Coordinator of each ODCHC clinic is charged with the responsibility for implementing the Hazard Communication Policy. Questions or comments regarding the policy should be directed to the Operations Officer.
3. Hazard Communication is considered part of a larger program to prevent employee injury and illness. Refer to OPS.503 for the complete Illness and Injury Prevention policy.
