**PURPOSE:**

To describe how Open Door Community Health Centers (ODCHC) ensures that the primary mission of providing effective, high quality health care is implemented, continuously evaluated and improved.

**POLICY:**

ODCHC seeks to provide effective, high quality health care as defined by governmental agencies, third party payors and other related quality improvement entities.

The Quality Improvement Policy is approved by the Board of Directors and the Quality Improvement Team is responsible for monitoring adherence to this policy.

The Quality Improvement Program describes the quality improvement infrastructure, quality indicators, performance measurement, analysis and reporting and the annual quality improvement plan.

The Chief Quality Improvement Officer coordinates the annual revision of the Quality Improvement Plan, which is developed and approved by the Executive Committee with final approval by the Board of Directors.
